

THE MANOR CELEBRATION OF LIFE MENU CHOICES

We understand that planning a celebration of life for a loved one can cause additional stress during an already trying time. At The Manor, we aim to make catering arrangements simple and stress-free for you and your family.

Choice of Room & Seating Arrangements

Our passion for great food goes back to 1992 when we first began crafting menus and serving our sumptuous buffets. Since then we have ensured that everything is freshly made to the highest standards using local produce and suppliers, Enjoy. All selections are accompanied with a tea and coffee station.

Our passion for quality means we do not allow outside catering.
